A nice change of costumes for Street Fighter. Challengers Pack 2 contains costumes for Adon, Ibuki, Juri, Hawk and Cody. All look great, Juri is amazing, Cody is a little stupid :P. I love Juri, I don't know if I could have got a better costume. Gives her shiny eyes and better textures. What makes me angry is that they don't give you the option to buy only one costume but force to pay for the whole pack. Good thing I like Cody and Ibuki.. damn Juri,worth it.
